XX

(By Regular Mail) I am "readily familiar" with the firm's practice for collection and processing of correspondence for mailing. Under that practice it would be deposited with the United States Postal Service on that same day with postage thereon fully prepaid at Salinas, California, in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after deposition for mailing affidavit.
